Subject: Sewer System Entry Terms and Hold Harmless/Indemnification Agreement

Dear Mr. Matteson:

Please find enclosed a signed copy of the *Sewer System Entry Terms and Hold Harmless/Indemnification Agreement* for your records. The agreement authorizes access into to the City stormwater conveyance system affiliated with Outfall 18 for selected components of the *Final Stormwater Pathway Investigation Work Plan*¹ approved by the U.S. Environmental Protection Agency. The agreement is effective as of October 29, 2010.

Proposed work shall not commence until the agreement notification requirements have been fulfilled. Upon receipt of this notification, BES may require a short project briefing meeting to review project details and agreement terms. Engineering review and inspection oversight costs, if needed, will be billed to you at the respective rates of \$65 and \$75 per hour.

As a reminder, please contact the Portland Bureau of Transportation (PBOT) to obtain approval for your traffic control plan for the proposed work at (503) 823-7365. The access agreement does not address traffic control, but states that your work needs to be done in compliance with other applicable federal, state, and local regulations.

If you have any questions, please call me at (503) 823-2296.

Sincerely,

Linda Scheffler

Subject: Sewer System Entry Terms and Hold Harmless/Indemnification Agreement

Dear Mr. Matteson,

In response to your request, dated October 4, 2010, for access to the City of Portland conveyance system, the Bureau of Environmental Services (BES) has prepared the enclosed *Sewer System Entry Terms and Hold Harmless/Indemnification Agreement*.

Please review the requirements before signing and returning the agreement. The Confined Space Entry Authorization form has been sent to your contractor, PES Environmental, Inc., for signature. A BES representative will execute the agreement once the signed copy has been received along with any required submittals. Once the agreement has been executed, you will be sent a signed copy for your records. Your contractor should retain the yellow copy of the Confined Space Entry Authorization form.

The agreement requires BES notification no less than one business day before intended system entry. Upon receipt of this notification, BES may require a short project briefing meeting to review project details and agreement terms. Engineering review and inspection oversight costs will be billed to you at the respective rates of \$65 and \$75 per hour.

Proposed work shall not commence until the agreement has been signed by the City and notification requirements have been fulfilled. If you have any questions, please call me at 503-823-2296.

Sincerely,

Linda Scheffler
